

*The items listed below are for informational purposes only. Any item may be moved to the full agenda for public vote at a subsequent Authority Board meeting.*

1. Public contact is still restricted in the administrative office; a table has been placed just inside front door with instructions on the door directing all packages, etc. to be left on that table. Door remains locked and access is limited due to COVID-19 concerns.
2. The NCAA Conference in Wilmington has been re-scheduled for August 9-21, 2021 in Pinehurst. Those of you that had been registered to attend, Please make your own reservations. Please see attached information.
3. New Fuel Farm is operational.
4. Negotiations continue with Mr. Stuart Dillion, Dillion Aviation, Greenville, NC, to operate an aircraft maintenance shop next door in the maintenance hangar.
5. Kristen Janes, the new Airport Business Manager is progressing well in the training process. Beginning April 1, I will further reduce my in-office hours.
