

Vice Chancellor for Finance and Administration

Budget – Controller – Lowry

AUGUST 11, 2021

Redefine our value proposition through accessibility, affordability, quality, accountability, resource development, and operational excellence.

- Uploaded the FY 22 system office budget into Banner and assisted a number of colleges in uploading their budgets.
- Working with DHE staff to assure their preliminary FY 2022-23 recommendations on capital construction and IT capital project prioritization rankings hold or improve.
- Onboarding a new budget analyst.
- Working with DHE and other governing board on a proposed FY 2022-23 operating funding model.
- Closing the books and preparation underway for the financial statements.
- Audit of financial statements and federal programs (HEERF funds and SFA) in progress across the system.
- Onboarding new staff accountant and interviewing for new A/P Tech and General Accountant positions.
