ACTION

Subject: Sole source purchase

Date: March 21, 2023

BACKGROUND:

Oracle has decided to charge for Java that has been downloaded anytime in the last 3 years. In a recent audit, it was determined that we have Java installed and need to pay for the last 3 years. Oracle is the only provider of Oracle Java.

RECOMMENDATION:

HCC needs to pay for Oracle Java for the last 2 years plus the current year at \$91,320.00.
