TO: EXECUTIVE OFFICERS – STATE BOARDS OF PHARMACY
FROM: Lemrey “Al” Carter, Executive Director/Secretary
DATE: December 19, 2024
RE: Access to USP Chapters

United States Pharmacopeia (USP) is aware that some states must, by law, provide board of pharmacy licensees with access to USP chapters referenced in pharmacy regulations. USP is working with boards of pharmacy, individually, on a case-by-case basis, to address such requirements. If your board needs further information, please contact Diana Newhart, USP senior manager, advocacy and stakeholder engagement, at diana.newhart@usp.org.
