Good morning,

I hope this email finds you well. My name is Asmau Murtala, and I am a PharmD candidate at Southwestern Oklahoma State University. I am currently completing my rotations under Dr. Marty Hendrick.

I am writing to inquire about your state board of pharmacy's current policies or proposed frameworks for implementing and utilizing Artificial Intelligence (AI) and Machine Learning (ML) in pharmacy practice.

Thank you for your time and consideration. I look forward to your response.

Best regards,

**Asmau Murtala**
