

Manager's Report

September 2023

- We currently have 55 on the hangar waiting list and 31 on the ground lease waiting list. Two hangars came available just this week and will be occupied by October 1st with no loss of revenue.
- Town of Beaufort Fire Marshal will conduct an inspection of all hangars on October 9th.
- I will present three quotes for a self-closing flammable safety cabinet for Anthony's maintenance shop for approval.
- New 911 address signs for the hangar areas have been delivered and Anthony will be putting those up asap.
- Some of the new hangars have developed leaks after the storm this past weekend. Trader Construction has been notified and they are going to be sending someone out to assess.
