**Subject:** [REQUEST] Complete and submit 2023 NCDOT Aviation SPAM agreement by Dec. 31  
**Attachments:** 2023 Letter of Agreement Airport Maintenance Services.docx  
**Categories:** Red Category

Dear N.C. General Aviation Airport Sponsor:

NCDOT Aviation's Safety, Preservation, and Maintenance (SPAM) Program helps publicly owned and operated airports perform safety and maintenance improvements at 100% state funding. To date, the SPAM Program has completed nearly \$20 million worth of projects at N.C. airports. It is time to renew your program agreement so that NCDOT can continue to fund SPAM projects at your airport.

**Please review and complete the attached Agreement for Airport Safety/Maintenance Projects and upload the completed agreement via this [link](#) by Dec. 31, 2023.**

This new agreement will supersede all previous agreements. Executing this agreement does not commit NCDOT to a particular project but allows us to expeditiously complete a project once one has been identified and selected for completion.

Thank you for your cooperation in this process. Please feel free to contact me or your airport project manager if you have questions about this agreement or the SPAM Program.

Sincerely,

**Raj Kondapalli, P.E.**
