

Princeton Police Department

Memorandum

To: Princeton City Council

From: Chief Todd Frederick

Date: 01-23-2024

Regarding: Purchase of Radio Equipment and Radar units for squads with Public Safety Money that has been received from the state.

The Princeton Police Department has currently budgeted \$80,466.00 for the replacement of the radio project (squads, base station, and portables). The revised quote is approximately 6 % under budget. We also have currently budgeted \$18,500.00 for squad radar replacement. The revised quote is approximately 3 ½ % under budget.

We are asking for City Council approval to continue with the purchase of the above equipment.

A motion to approve and continue with the purchase of the equipment is recommended.

If you have any questions, please don't hesitate to ask. Thank you.

Chief Todd Frederick
