

or campaign medal indicating service to the United States in any armed conflict in a foreign country. For additional information, contact the veterans' representative in Financial Aid.

Senior Citizen Tuition Waiver

The Senior Citizen Tuition Waiver may be provided to senior citizens residing in Sweetwater County who are age 60 years or older and allows these students to enroll in **credit** classes only. The waiver only applies to the tuition, required fees, and academic support fees. Senior citizens are required to pay all course/laboratory fees, technology fees, textbooks, and other expenses that may be required for the course, at the time of registration. **Waivers are not granted for classes offered through Workforce Development and Community Education, or for special fees.**

This privilege will be granted only if such College credit classes are not filled (space available basis) during the registration period. The College may limit or deny this privilege for courses in programs for which the Board has established selective admission criteria. Courses may be taken for credit or audited. Students wanting to audit a course can only choose this option during the initial registration period.

The waiver must be requested by the student at the time of registration. Students who qualify for the tuition waiver must show proof of age via an official government issued photo identification to Mustang Central. Students may also be required to provide proof of residency. Students who qualify for the tuition waiver must follow the same entrance requirements as students whose fees are not waived.
