## **2021-22 AGENCY OPERATING BUDGET**

---

President Thompson and Mr. Shaun McKiernan, CPE's Director of Budget and Finance, presented the agency's proposed revenue and expenditure budget for the upcoming 2021-22 fiscal year. The enacted state budget for 2021-22 (HB 192), along with CPE's 2020-22 biennial budget request, submitted to the state budget office and Legislative Research Commission in November 2019, provide the framework for staff's proposed 2021-22 agency budget. Budgeted figures for the current year were included for comparison.

While the HB 192 was largely a continuation of budget, the following aspects were highlighted:

- It restored the levels of General Fund support for CPE operations and technology initiatives to the amounts provided in 2019-20.

- It appropriated \$50,000 for the Southern Regional Education Board (SREB) Doctoral Scholars program in 2021-22, maintaining the same level of funding as in the prior year.
- It specifically funded Kentucky's dues to the Southern Regional Education Board (SREB), which are traditionally paid from the contract spaces program.

As proposed, the agency would distributed the general fund appropriations in the following manner:

- Operating funds - \$7,205,600
- SREB Doctoral Scholars - \$50,000
- Technology Trust Fund - \$3,628,300
- SREB dues - \$214,800
- Ovarian Cancer Screening - \$500,000

Details for the distribution of the funds within each category were provided in the agenda materials.

VOTE: The motion passed.
