RE: Registration Now Available – 2025 Tri-Regulator Symposium and Opioid Regulatory Collaborative Summit

NABP is pleased to invite its members to the **2025 Tri-Regulator Symposium and the 2025 Opioid Regulatory Collaborative (ORC) Summit**, taking place March 6-7, 2025, at the Tysons Corner Marriott in Tysons Corner, VA.

March 6, 2025

The **Tri-Regulator Symposium**, hosted by the Federation of State Medical Boards (FSMB), NABP, and the National Council of State Boards of Nursing (NCSBN), provides a unique opportunity to collaborate with your counterparts of medical and nursing regulatory boards. This sixth Tri-Regulator Symposium offers one day of presentations and open forums on topics of high importance to the future of US health care. While each of the three organizations is autonomous with their own membership and goals, all share common values and a deep commitment to public health protection. Recognizing this, FSMB, NABP, and NCSBN formed the Tri-Regulator Collaborative to advance dialogue and build consensus on issues of state-based licensure and regulation. This day will provide the opportunity to discuss interprofessional cooperation and the challenges facing state medical, nursing, and pharmacy boards.

March 7, 2025

The second **ORC Summit** will be held following the Symposium. Launched in 2021 by FSMB, NABP, NCSBN, and the American Association of Dental Boards, the ORC partnership is aimed at addressing the nation’s opioid epidemic by uniting the key health care professions that prescribe and dispense prescription medications.

Space at the Tri-Regulator Symposium and Opioid Regulatory Collaborative Summit is limited, and registration is available on a first-come, first-served basis. **The deadline to register is February 5, 2025.** There is no cost to register for the symposium or summit.

Lodging and airfare are the responsibility of attendees, and a special contracted room rate of \$239 per night (plus applicable taxes/fees) is available at the Tysons Corner Marriott. If you are interested in attending the Tri-Regulator Symposium and/or the ORC Summit, please contact NABP Executive Meeting Planner Jess Ruhl via email at jruhl@nabp.pharmacy for meeting registration and hotel information.

We look forward to your participation!
