Summary of Key Observations/Recommendations

- Since November 2023, the President's goals have been configured to align with the university's strategic plan, which was approved by the Board of Trustees in May 2022.
- UCF's 2022-27 Strategic Plan includes goals and metrics in the areas of:
 - Student Success and Well-being;
 - Discovery and Exploration;
 - Community and Culture; and
 - Innovation and Sustainability.

Additional Background

Prior to the approval of UCF's 2022-27 Strategic Plan, as outlined in the President's employment agreement, the President submitted annual goals with specific objectives crafted in consultation with the Board Chair. In 2021, Board of Trustees requested that the President's annual goals align with the goals and outcomes outlined in the Strategic Plan once approved.

Implementation Plan

Upon approval by the Board of Trustees, these goals will serve as the President's goals for 2024-2025.
