

Kody Feldmann started taking classes with us in 2019 as a freshman. He has excelled in his Western classes over the last few years, completing 27 credits. He was accepted to South Dakota School of Mines. Kody is planning on majoring in Computer Engineering. Because he completed over 15 hours of credits on behalf of Western, we would like to present Kody this Western graduation cord for him to wear on graduation day. Thank you for your hard work and dedication to your education. We are very excited to see what your future holds.
