Dear Stephanie,

Thank you for your pledge of support for the Columbia Gorge Community College Foundation via the *QLife Network Scholarships*. Each year the Foundation reviews applications from more than 100 ambitious CGCC students seeking support to continue their education and training. Ongoing support from you and others across the community, is what makes these student scholarships possible.

We appreciate your support and look forward to sharing the scholarship with two students for next year. In order to award the *QLife Network Scholarships* for the 2024-25 academic year, we would like to receive your \$5,000 check by June 30, 2024.
