I assist the conference planners with their outreach.   If you wish to be removed from this BCC interested parties list just let me know. I sent out a save the date message last week and my system indicated a few addresses --Including yours--did not receive it, perhaps because I exceeded my Gmail limit. I am sending it again to see if I receive any bounce backs. If you did get it last week, my apologies for the duplication.   Thank you, Pam

Please mark your calendars now to save the date and place for the 2024 Oregon Connections Telecommunications conference: October 30th to November 1st at the Sun River Resort. Our website is live! https://oregonconnections.info/
