

Princeton Police Department

Memorandum

To: Princeton City Council

From: Chief Todd Frederick

Date: September 10, 2024

Regarding: BCA NCIC Administrative / Criminal History Compliance Audit

The Princeton Police Department is pleased to announce that we received notification from the Bureau of Criminal Apprehension (BCA) that we successfully completed and passed our NCIC Criminal History Audit. Princeton Police Department Support Staff Karen Aguilera and I.T. Specialist Edward Yost worked numerous hours to prepare and submit the audit to the BCA.

The compliance letter from the BCA states *“Your agency is in compliance with MNJIS/NCIC standards and exemplifies what we are striving for with all agencies in Minnesota”*.

This audit is extremely important for the Princeton Police Department as it demonstrates the professionalism and attention to detail required to maintain daily operations within the department. Sgt. Vandeneuval and I are truly grateful for the dedicated staff who perform these difficult tasks throughout the year.
