
MEMORANDUM

TO: City Council
FROM: Technology Services Manager, Edward Yost
SUBJECT: **Authorize Police Chief to Sign MCA with MNIT**
DATE: September 10, 2024

Currently, the State of Minnesota IT Services Department (MNIT) provides the required technology and services for the Princeton Police Department to access BCA resources. To comply with BCA and FBI requirements, the Princeton Police Department must have a signed Management Control Agreement (MCA) with MNIT. A Management Control Agreement ensures that the Princeton Police Department has final say over the availability and management of technology or services provided by MNIT.

Recommendation:

Staff recommends that City Council authorize the Chief of Police to sign an MCA similar to that attached with MNIT.
