Attn: Chris Klinghagen

Re: VEGA Level Transmitters Proposal

In Control, Inc. is pleased to provide our proposal for materials and services as part of the project referenced above.

This proposal is broken into two parts. Item 1 is for the Vega transmitters and displays. Item 2 is for integration services and field support for installation and will be handled as a service project. It was assumed that existing mounting brackets would be reused.

Proposed Materials and Services

Item 1 - VEGA Level Transmitters

In Control will furnish the following for installation by the owner:

- A. (2) VEGA C11, 8m max distance, non-classified area, 32' cable
- B. (2) VEGAMET 841 wall-mount display, NEMA-4X

Item 2 - Integration Services

In Control will furnish the following integration services:

- A. (1) day on-site for installation support
- B. Programming changes for PLC and SCADA as required
- C. Drawing redlines

Proposal Summary.

NET TOTAL PRICING:

The following prices apply to the proposed materials and services:

Item 1 – VEGA Level Transmitters	\$ 2,934
Item 2 – Integration Services Not to Exceed	3,780
	Net Total:
	\$ 6,714
Sales and Use Taxes: Excluded	#2934
Freight: Included, FOB shipping point	

EXCLUSIONS:

Our proposal does not include the following:

- Bonding, Permits, Licenses, or Fees of any kind
- Removal, demolition, or disposal of existing equipment
- Field installation of equipment, enclosures, instrumentation, or other products provided unless otherwise stated
- Fasteners or mounts, wire, raceway, or fittings required for field installed products
- Termination of any field wiring such as line power, control signals, instrumentation, etc.
- Normal and customary items provided by a general or electrical contractor
- Electrical Studies, Tests, or Inspections that are not detailed in this proposal
- Network Media or Testing that are not defined in the scope of work detailed in this proposal
- Any equipment or services that are not defined in the scope of work detailed in this proposal
- Shipping costs to locations other than the primary project site

Thank you in advance for the consideration of our offer and for the opportunity to work together. Should you have any questions regarding this proposal, please contact me directly at your convenience. I look forward to hearing from you soon to secure and coordinate this project.

Best Regards,

Bob Dietrich
