COMMUNITY COLLEGE SYSTEM

Vice Chancellor for Finance and Administration Budget – Controller – Lowry

OCTOBER 12, 2022

Redefine our value proposition through accessibility, affordability, quality, accountability, resource development, and operational excellence.

- The Budget Team is working on state-required budget data books and tuition and fee reports, which are due in early October to the Department of Higher Education.
- The Accounting Team is working with our external auditors and preparing our FY 22 financial statements.
- A cross-functional team is focused on implementation of the CO-Online pilot financial model, along with key data/coding elements and reporting requirements.
