

STATE BOARD FOR COMMUNITY COLLEGES AND OCCUPATIONAL EDUCATION

October 12, 2022

TOPIC: Academic and Student Affairs Division Updates

PRESENTED BY: Landon K. Pirijs, Ph.D., Vice Chancellor for Academic and Student Affairs

EXPLANATION:

As requested by the Board chair, the Vice Chancellor for Academic and Student Affairs will provide an update to the State Board on a variety of academic and/or student affairs initiatives. This month's update will include the status of the system's three consortial projects –

1. Colorado Online @
2. Rural College Consortium
3. Colorado Skills Institute

Each consortial project involves working with all the colleges or subset of colleges in the case of the Rural College Consortium. Each project requires significant leadership support, college personnel involvement, technology resources, and fiscal investment. However, once implemented, each project should yield greater efficiency and increased net revenue, expanded educational access across the entire state, and increased support for students and employees.

RECOMMENDATION:

No action is required.
