
MEMORANDUM

TO: Mayor Walker and Councilors
FROM: M McPherson, City Administrator
SUBJECT: **Authorize Execution of Memorandum of Understanding (MOU) with M Health Fairview**
DATE: May 10, 2022

Background:

Representatives with M Health Fairview approached staff regarding their need to have non-potable water during times of emergencies. The use of non-potable water would be for flushing toilets and could be delivered by a fire department tender or public works tanker truck.

M Health Fairview provided a similar MOU from the City of Wyoming. It has been modified to fit the City and will become part of their Emergency Response Plan.

Both Chief Lawrence and Public Works Director Gerold have reviewed and are in agreement with the MOU as drafted.

Recommendation:

Staff recommends that the City Council authorize execution of the attached MOU with M Health Fairview to provide non-potable water in the event of an emergency.
