

Princeton Police Department

Memorandum

To: Princeton City Council

Date: 04/17/2022

Regarding: Donation made to the Princeton Police Department K9 program

From: Chief Todd Frederick

On 04/14/2022 the Princeton Police Department received a donation / grant from Vested Interest K9 to supply health insurance for Princeton Police Department K9 Bogey. The company, Vested Interest K9 works with Trupanion to provide Health insurance for K9's all over the United States. This program is free to the city of Princeton as Vested Interest K9 provided Bogey's bullet proof vest earlier in the year, pays the cost of monthly insurance for Bogey to have full health insurance coverage. The approximate amount that Vested K9 and Trupanion pays is about \$40.00 a month for a total of \$480.00 a year. The Princeton Police Department is truly grateful for this donation.

Staff recommends that the Council to accept this donation from Vested Interest K9 and Trupanion for health insurance for K9 Bogey.

Chief Todd Frederick
