**MEMO:** Lee Co - POE Switch for LOTS

NRC = "Non-recurring charge". A one-time charge established for installation and construction, or purchase of equipment.

MRC = "Monthly recurring charge" and specifies the monthly charge for the service.

ARC = "Annual recurring charge" and specifies the annual charge for the service.

Assumptions:

1) The price's set forth herein constitute a non-binding quote good for 30 Days. Final terms and conditions shall be set forth in a formal agreement between the parties.

The price quoted is exclusive of all applicable federal or state sales or excise taxes or universal service fund, utility or similar fees and taxes levied or imposed upon Syndeo or customer arising from or relating to the provision of the services quoted herein, all of which shall be separately charged to customer.

2) Building License Fees are not included in the price quoted above and will be added (if required) in a final quote.

3) The network design associated with pricing assumes the fiber backbone will extend to the Syndeo demarcation points within locations listed above. The typical Syndeo demarcation point is located in the basement of a building. Customer to provide rack, space, and power for Syndeo dedicated equipment at each location.

Thank you for your business!
