

PRINCETON EMERGENCY MANAGEMENT

To: Mayor Schumacher and City Council,

Date: 11-23-2020

From: Emergency Management Team, Ron Lawrence, Todd Frederick and Bob Gerold

Regarding: Purchase of Atomizer's

Mayor and Council,

It is the recommendation from the Emergency Management Team that we purchase four more atomizers for the City. Placement of these atomizer's will be at:

Police Dept.
Liquor Store
Wastewater Plant
Library

This will benefit these areas in reducing the spread of Covid, keeping the city employees and community safer. The cost of four of these atomizers is \$4700.00. This would include the solution as well.

We will be present for any questions. Thank you.

Fire Chief Ron Lawrence

Police Chief Todd Frederick

Public Works Director Bob Gerold
