Request for Proposal (RFP) Architectural Design Services for Remodel Building 510 First Responder and Public Safety Training Center	Remodeling of the building will allow the College to offer more classes at a better quality in the Public Safety programs. These are typically high wage, high skill, and high demand jobs. Enhancing the quality the Training Center will allow NWFC to further partner with area first responders and law enforcement to provide continued training and education for our area officials. Existing facilities and equipment are dated and do not adequately represent the equipment that graduates will be utilizing on the job.	12/13/2023	Facilities  Funding Received: \$8.2 million PECO \$1.7 million deferred maintenance	\$1,500,000
