Memo

To: Board of Trustees
From: Dr. Devin Stephenson, President
Date: February 20, 2024
Re: Asset Retirement Listing

The Asset Retirement Listing is presented for your review and approval.

The items that are in “non-working condition” and “obsolete” will be sold on govdeals.com (online auction) to the highest bidder. The retired school buses will be sold back to the manufacturer for proceeds to be applied toward the purchase of new buses in the future. The two tandem axle tractor trucks are being sold directly to Pensacola State College. No items have been listed at this time, and no purchase offers have been received or accepted.

RECOMMENDATION:

The Board of Trustees approves the Asset Retirement Listing, as presented.
