WHAT INTERESTS YOU ABOUT BECOMING A MEMBER OF THIS COMMISSION OR BOARD?

I believe that parks & recreation and the planning commission contribute greatly to the quality of life in a community. Princeton has many great parks, and an abundance of wonderful scenic opportunities to enjoy. I want to continue contributing to the community, as I have with my Facebook group: Princeton Bulletin Community Group. I am currently completing a degree in Strategic Communication at St. Cloud State University, and I believe that communication is key in any great initiative. I am interested in contributing my skill set, and experience living in Princeton most of my life, to help others to discover the opportunities that we already have, and will have in the future.
