CATALIS Proposal

Harnessing Technology to Enhance Local Municipalities

Prepared For: Princeton, MN

Prepared By: Zachery Sorken

Proposal Valid Until: 05/31/2024

THE LEADING PROVIDER OF SOFTWARE SOLUTIONS FOR GOVERNMENTS AND CONSTITUENTS ACROSS NORTH AMERICA

About CATALIS

CATALIS is the transformational SaaS and integrated payments partner powering all levels and sizes of government – municipalities, counties, states, provinces and federal agencies. Our deep expertise, proven track record, and thoughtfully configured digital solutions have helped public servants across the U.S. and Canada to deliver at their highest ability on behalf of their communities.

CATALIS solutions are built to support governments of all sizes from villages and towns to rural and small cities. As a customer-driven service provider, our trusted advisors are dedicated to delivering advanced solutions that improve everyday municipal operations. Together, we can help your local government harness the latest technology to connect your local services directly with your community.

THE CATALIS ADVANTAGE

Our client-focused outlook coupled with our comprehensive software suite underlines our promise to work diligently to ensure that you receive exceptional value for your investment. From software development, to installation, training and ongoing support – we strive to understand your issues and be responsive to your needs.

Catalis offers a unique set of solutions that can be tailored to both rural and urban municipalities, highlighted by the following considerations:

Focus On Municipal Governments

We specialize in small-urban and rural-based municipalities.

Smart

Both complicated and repetitive tasks are easily completed.

Safe & Secure

Your municipal information is safe behind a modern security system.

Customized

No matter the size of government, you can get the perfect mix of tools that work best for you.

Our knowledgeable staff consists of experts in municipal administration, operations, and technology to connect and simplify municipal information. Our team consistently strives to find technologically and innovative solutions to help municipalities address their toughest challenges. This way, we empower municipalities to make data-informed decisions to provide value to their citizens.

Trusted Advisors

Catalis provides a unique set of services and capabilities that have contributed to our reputation as municipal trusted advisors.

Flexible

Easily move your information and integrate with other third-party software.

Personal & Timely Support

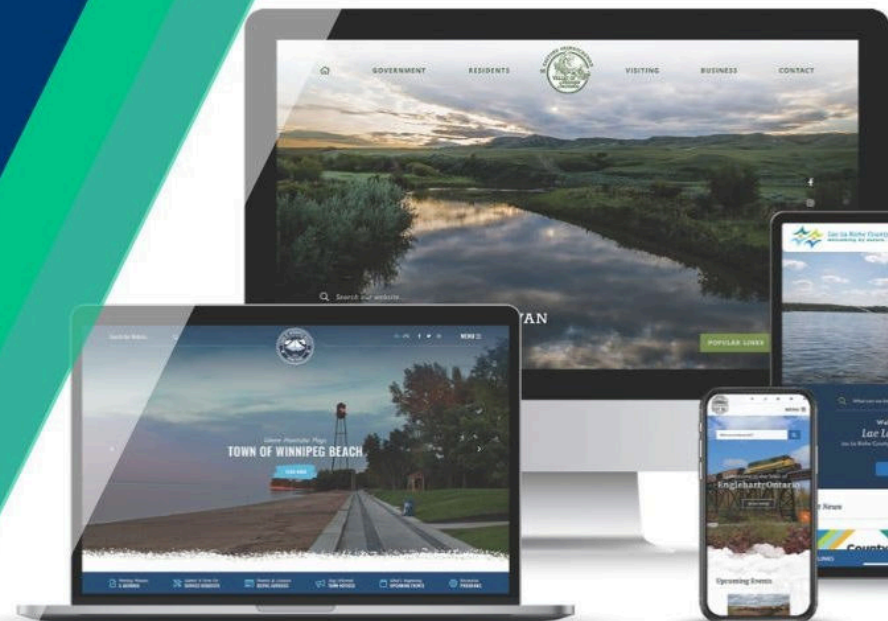

Installation, training, or ongoing support, you get access to the people that designed your software.

Catalis solutions currently support 7,000+ local governments from rural to small urban municipalities in 54 states and provinces. As a customer-driven service provider, our trusted advisors are dedicated to delivering advanced solutions that improve everyday municipal operations. To help municipalities harness the latest technology to connect their citizens directly with local government, we go above and beyond to work closely with:

- Senior Administrators
- Public Works Departments
- Accounting and Finance Professionals
- Engineers
- Planning and Development Staff
- Corporate Services and Clerks
- With our solutions, your government can connect and simplify municipal information to deliver value

to your residents. We're here to help you to do more, with less. **In fact, with over 20 years of experience, our Public Works & Engagement solutions currently support 2,100+ municipalities across North America and have processed 9 million+ citizen requests to date.**

Municipal Websites Built For Administrators

Website management has been our area of expertise since 1999. Our municipal Website Management system has been developed specifically for the unique needs of a municipality.

Our website service includes everything you need to design, develop, host, and maintain your online presence.

Mobile Responsive Designs

Your designs will be responsive to adapt to any mobile device, including your content management system.

Advanced Page Editors

Add, edit, or delete pages anytime from your desktop or smartphone device.

Alert Pop-Up Notifications

Manage banner and pop-up alert messages that appear when people visit your website.

Advanced User Accounts

Create unlimited user accounts and control who has permission to edit specific website features.

Calendars

Create and manage multiple community calendars, along with the ability to receive public event submissions.

Online Form Builder

Develop and manage your own online submission forms and set where submissions are emailed to.

Notice Management

Easily post and receive public notices to appear on your website.

Bulk Messaging

Send and manage bulk and automated email messages directly to your residents.
