

# Princeton Fire Department

## Memorandum

To: Princeton City Council

Date: May 7, 2024

Regarding: Donation to the Princeton Fire Department

From: Assistant Chief Josh Vaccari

The Princeton Fire Department received a donation from Joe Gerold through Greg Anderson Auto for two (2) front steer tires for Tender 4. The total for the two (2) tires, labor for mounting and balancing, and disposal equals \$1,254.78. One of the steer tires that are being replaced was showing wear and is more than 25 years old.

The Princeton Fire Department is truly grateful for this donation and the continued support from those we serve.
