Experience

Educational Diagnostician

2021- Current

Leadership & Compliance: Spearhead the selection and administration of formal and informal assessments to ensure compliance with federal and Texas Education Agency (TEA) regulations, maintaining strict adherence to legal and procedural standards.

Data Analysis & Decision Making: Compile and evaluate comprehensive student information (including classroom observations, interviews, and assessment data) to make data-driven decisions regarding eligibility for special education services. Regularly collaborate with cross-functional teams to interpret results and implement appropriate actions.

Stakeholder Consultation & Collaboration: Lead and facilitate meetings with parents, teachers, and administrators, ensuring that assessment data is clearly communicated and understood, and provide recommendations on placement and individualized education plans (IEPs) in line with district and federal policies.

Program Management & Development: Oversee the ongoing evaluation and improvement of the district's assessment program, ensuring continuous refinement based on collected data and feedback. Participate in the selection of assessment materials, ensuring tools are effective and aligned with best practices.

Training & Development: Design and deliver staff development sessions, empowering school personnel to better understand and address the needs of students with disabilities, fostering a more inclusive and productive learning environment.

Teacher

2017-2021

Employee Development & Engagement: Fostered a positive learning environment that inspired students to develop a love for learning and master essential skills, encouraging continuous growth and achievement.

Communication & Collaboration: Established and maintained a system of ongoing communication with parents, administrators, and team teachers, fostering a sense of community and collaboration. Actively engaged with stakeholders to ensure alignment on student progress and classroom goals.

Data Analysis & Strategy Development: Analyzed data from various assessments, including unit exams, BOY, MOY, EOY, benchmarks, and STAAR results, to identify trends and gaps. Developed targeted improvement strategies to address areas of need for the entire class and individual students.

Individualized Growth Planning: Created customized growth plans to push each student to reach their fullest potential, emphasizing differentiated instruction and individualized goal-setting.

Program Management & Instructional Design: Designed and implemented differentiated instruction plans, including small group activities and learning stations, to address diverse learning needs and promote student success.

Technology Integration & Process Improvement: Mastered the integration of technology in the classroom to enhance learning and streamline processes, ensuring that all students had access to tailored educational experiences.

Google Certified Trainer

June 2018 - July 2021

Professional Development & Training Leadership: Proactively pursued advanced training with Google for Education, mastering a suite of digital tools including Google Docs, Google Sheets, Google Hangouts, and Google Classroom. Completed three certification exams to earn the title of Google Certified Trainer.

Training Program Design & Facilitation: Designed and delivered professional development workshops that empowered educators to integrate technology into their classrooms, fostering innovation and transforming teaching and learning practices.

Technology Integration & Process Optimization: Leveraged Google for Education tools to streamline educational processes, improve collaboration, and increase efficiency.
