As the Community Resource Director for the Centennial Mental Health Center, Karla Rosas has great awareness and knowledge of the mental health issues of Northeast Colorado. She has extensive experience working with a multitude of agencies to coordinate mental health services. Karla has been a partner as we discuss 2+3 programs with partner universities in behavioral health, and provides valuable insight on mental health challenges in our area.

Karla Rosas was born and raised in Sterling. Her father served on the college's Foundation Board and her son is a recent Northeastern graduate. Karla has been an active member of our Advisory Council, and other community boards, supporting and advising me on various issues. Karla has committed to a second term, pending Board approval, and I highly recommend her for continued service.
