(Feel free to include a separate page if desired.):

As the former Chief Executive Officer and Chief Nursing Officer of the Banner Health – Sterling Regional Medical Center, Wade Tyrrell led one of the largest organizations in the entire northeast region of Colorado. Since 2014, Wade worked closely and collaboratively with the Northeastern Nursing Program and has been invaluable to me as an advisor regarding Certified Nursing Aide, Emergency Medical Technician and other health based programs. He provided me with insightful counsel on ways to leverage Care Forward Colorado to the best advantage of our students and community.

Wade is a recognized leader in the Sterling Community, serving on the Chamber of Commerce and several other boards. He is my "go-to" advisory council member on managing budgets and large organizations. Wade has committed, with board approval, to a second term on our advisory council, and I strongly recommend him for reappointment.
