Date: 05/02/2023

From: Fire Chief Ron Lawrence

Regarding: Central Minnesota Emergency Medical Services grant

CMEMS is offering grants to the fire departments in the area for the purchase of emergency medical supplies. The award amount is up to \$1,000.00 and is not matching. I am seeking approval to apply for this grant to purchase medical supplies for the department.

I will be present for any questions. Thank you.
