## **Memorandum**

**To:** Princeton City Council

**Date:** 05-09-2023

**Regarding:** St. Louis County Mutual Aid Agreement

**From:** Chief Todd Frederick

Sheriff Ramsey of the St. Louis County Sheriff Department has requested an update / refresh on an aging Mutual Aid Agreement between all District 2 Law Enforcements partners which includes all law enforcement agencies in Mille Lacs County. I have spoken with other law enforcement agencies within Mille Lacs County about this agreement and we all feel that this is a standard mutual aid agreement that is used between all agencies.
