

Princeton Fire & Rescue Dept.

Memorandum

To: Mayor Walker and City Council

Date: 05/02/20023

From: Fire Chief Ron Lawrence

Regarding: Pioneer Grant application

Pioneer has offered a grant application to the Princeton Fire and Rescue Dept. The Pioneer Community Betterment application is a grant that fire departments can apply for. The grant limit is \$5,000.00 and is not a matching grant. I would like to apply for this grant to purchase Fire Prevention materials for P.R. events. This would include events like "Nite to Unite", "Princeton Public Safety Day", and Fire Prevention week. The remaining amount would be used to purchase firefighter PPE such as gloves, hoods and boots.

I will be present for any questions. Thank you.
