(Feel free to include a separate page if desired.):

Dr. Vincon has proven to be a great advisor to the President and advocate for the role and mission of Pueblo Community College. Velia has dedicated her life's work to ensuring that underrepresented individuals have the resources and support needed to be successful, recognizing that a quality education is not a right but a need. I have appreciate the insight and perspective Velia brings to our conversations and am pleased that she is interested in serving a second term as a PCC Advisory Council Member.
