

## EXECUTIVE SUMMARY

**Pursuant to Broward College Policy 6Hx2-1.14 and Procedure A6Hx2-1.14, Dr. Donald Astrab exercised the authority delegated by the Board to execute an amendment to the memorandum of understanding with Florida State University to serve as administrator for the AmeriCorps Volunteers In Service To America (VISTA) Grant for capacity-building activities to support the Broward UP Promise Neighborhoods Grant and other college-wide areas by utilizing the sole source bid waiver. Fiscal Impact: \$19,500.00.**

**Presenter(s):** Steven Tinsley,

**What is the purpose of this contract and why is it needed?** AmeriCorps Volunteers in Service to America (VISTA) is an anti-poverty program designed to provide resources to non-profits and public agencies to increase their capacity to lift communities out of poverty. For the fourth year, Broward College has been approved to receive the honor of hosting VISTA members to help build capacity for programs benefiting our students and community. For the 2023-2024 year, Broward College proposes to host at least four AmeriCorps VISTA members to help build capacity for several College areas aiming to enhance post-secondary access and increase enrollment, including the Broward UP Promise Neighborhoods grant, Strategic Partnerships & Innovation, supporting college-wide partnerships, and the Broward College Entrepreneurship Experience (BCEX).

**What procurement process or bid waiver was used and why?** The bid waiver selected is the single sole source because the vendor being used is Florida State University (FSU).

**Is this a budgeted expenditure from the budget established at the last June Board of Trustees meeting?**  
Not Applicable.

**What fund, cost center and line item(s) were used?** FD100/CC0745/GL64500

**Has Broward College used this vendor before for these products or services?** Yes.

**Was the product or service acceptable in the past?** Yes.

**Was there a return on investment anticipated when entering this contract?** AmeriCorps VISTA members help to build capacity for several College areas focused on strengthening access, enrollment, completion, and employment.

**Was that return on investment not met, met, or exceeded and how?** Met. The VISTA members have helped to develop programs, create processes, and assess outcomes. These efforts have expanded the bandwidth of these areas to serve our students and the community.

**Does this directly or indirectly feed one of the Social Enterprise tactics and how?** The AmeriCorps VISTA program indirectly feeds all three Social Enterprise Plan "big bet" areas: 1) Guarantee Access to Higher Education, 2) Empower Student Development, and 3) Create Impactful Career Connections.

### 3. Joint Responsibilities

Both parties to the Memorandum of Understanding shall:

- a) Make every reasonable effort to ensure that the health and safety of the VISTA members are protected during the performance of their assigned duties. Neither the Project Sponsor nor the Project Host Site shall assign or require VISTA members to perform duties which would jeopardize their safety or cause them to sustain injuries.
- b) Neither the Project Sponsor nor the Project Host Site has the discretion or authority to dismiss or separate a VISTA member from service; CNCS is the sole authority that can terminate a VISTA member's term of service. The Project Host Site should document any performance or behavior issues and immediately report them to the Project Sponsor. Staff will report such incidences to the state CNCS office and resolve them in accordance with rules governing the grant. This is necessary to provide VISTA members due process.
- c) The Project Host Site must report to the Project Sponsor (and CNCS if requested) on the use of all VISTA resources. VISTA resources include the time and activities of the VISTA member assigned to the Project Host Site and supports through VISTA member benefits including VISTA living allowances, and, if applicable, end of service awards and other CNCS funds provided in support of the VISTA member.
- d) Per CNCS policy referencing the federal Uniform Guidance (2 CFR §200.112). Non-federal entities receiving VISTA resources (as defined by CNCS) are required to disclose, in writing, potential conflicts of interest. Non-federal entities must develop and implement conflict of interest policies and procedures that incorporate this notice requirement. Undisclosed conflicts of interest could result in disallowed costs or other penalties up to and including termination of your organization's VISTA placement and the possible repayment of disallowable costs and associated VISTA resources.
- e) The Project Host Site (in partnership with the Project Sponsor) will properly ensure that all VISTA resources are used to carry out the VISTA project in conformity with all applicable CNCS laws, regulations, policies, procedures, and program guidance. As the Project Sponsor, FSU maintains responsibility for the Project Host Site's proper use of VISTA members. The Project Host Site and/or the Project Sponsor may be held financially responsible to CNCS for the inappropriate use of all such VISTA resources by the Project Host Site. Whether the Project Sponsor and/or the Project Host Site is held financially responsible to reimburse CNCS is within CNCS's complete discretion.

### 4. Prohibition on Nepotism

To avoid actual or apparent favoritism in the operation of an AmeriCorps VISTA project, CNCS's AmeriCorps VISTA program prohibits certain placement and assignment arrangements, as follows:

- a) An AmeriCorps VISTA member cannot be placed or assigned to an AmeriCorps VISTA project site if s/he: is in the immediate family (e.g., spouse, domestic partner, parent or guardian whether by blood or adoption, child whether by blood or adoption) of a project site staff member or a project site's board of directors; is a close relative, whether by blood or adoption, (e.g., grandparent, grandchild, aunt, uncle, niece, nephew, first cousin) of a project site staff member or a project site's board of directors.
- b) A project site employee is prohibited from holding a VISTA project supervisory position if s/he: is in the immediate family (e.g., spouse, domestic partner, parent or guardian whether by blood or adoption, child whether by blood or adoption) of any CNCS official responsible for the AmeriCorps VISTA project; is a close relative, whether by blood or adoption, (e.g., grandparent, grandchild, aunt, uncle, niece, nephew, first cousin) of any CNCS official responsible for the AmeriCorps VISTA project; is in the immediate family (e.g., spouse, domestic partner, parent or guardian whether by blood or adoption, child whether by blood or adoption) of any project site employee who holds supervisory authority over him/her; or is a close relative, whether by blood or adoption, (e.g., grandparent, grandchild, aunt, uncle, niece, nephew, first cousin) of any project site employee who holds supervisory authority over him/her.

## 5. Non-Discrimination & Sexual Harassment

- a) No person with responsibilities in the operation of the project shall discriminate against any VISTA member, or member of the staff of, or beneficiary of the project, with respect to any aspect of the project on the basis of race, religion, color, national origin, sex, sexual orientation, age, disability, political affiliation, marital or parental status, or military service.
- b) Sexual harassment is a form of discrimination based on sex, which is prohibited as addressed directly above. As a recipient of federal financial assistance from CNCS, the Project Sponsor and Project Host Site are responsible for violations of the prohibition against sexual harassment and for taking corrective action and/or disciplinary action if violations occur. Such sexual harassment violations include:
  - 1) Acts of "quid pro quo," sexual harassment where a supervisor demands sexual favors for service benefits, regardless of whether the Project Sponsor or Project Host Site, their agents or supervisory employees should have known of the acts.
  - 2) Unwelcome sexual advances, request for sexual favors and other verbal or physical conduct of a sexual nature which have the purpose or effect of creating an intimidating, hostile, or offensive service environment.
  - 3) Acts of sexual harassment toward fellow AmeriCorps VISTA members or non-employees, where the Project Sponsor or Project Host Site, their agents or supervisory employees knew or should have known of the of the conduct, unless they took immediate and appropriate corrective action.

## 6. Legal Restrictions

VISTA members should work to emphasize the mobilization of local human, financial, and material resources, the transference of skills to community residents, and the expansion of the capacity of the low-income community to solve its own problems. VISTA members should NOT perform administrative duties. Service duties should focus on the overall goals and objectives identified in their VISTA Assignment Description/work plan. The Project Host Site agrees that no VISTA member assigned under this MOU, while serving, or when otherwise, representing AmeriCorps VISTA shall participate in:

- a. Partisan and non-partisan political activities, including voter registration.
- b. Direct or indirect attempts to influence passage or defeat of legislation or proposals by initiative petition.
- c. Labor or anti-labor organization or related activities.
- d. Religious instruction, worship services, proselytization, or any other religious activity as an official part of their duties.

The Project Host Site further agrees not to:

- e. Carry out projects (related to VISTA) resulting in the identification of such projects with partisan or non-partisan political activities, including voter registration activities, or providing voters transportation to the polls.
- f. Assign VISTA members to activities that would result in the hiring of or result in the displacement of employed workers, filling-in for absent employees or supervisor, or impair existing contracts for services.
- g. Approve the involvement of any VISTA member assigned to it in planning, initiating, participating in, or otherwise siding or assisting in any demonstrations whatsoever.
- h. Accept, or permit the acceptance of compensation from the VISTA members or from beneficiaries for the service of the VISTA members.
- i. Supplement the VISTA member's living allowance/provide direct cash support. Organizations may provide in-kind support as well as housing, rent, or housing allowances to a third party (usually a landlord). VISTA members serving at the Project Host Site are to be offered comparable support.

AmeriCorps VISTA members, like other private citizens, may participate in the above listed activities on their own time, at their own expense, and at their own initiative. However, AmeriCorps VISTA members may not wear AmeriCorps t-shirts or other service gear in such instances.

## 7. Modifications

This Memorandum of Understanding may be amended at any time by an agreement in writing executed by authorized representatives of the Project Sponsor and Project Host Site.

## 8. Termination

- a. The Project Sponsor will use the above provisions to determine continued eligibility of Broward College to be a Project Host Site. Failure to comply with any of the roles and responsibilities as outlined in this MOU will result in responsive and corrective action to include removal of the VISTA member placed at your site. Whenever possible, the Project Sponsor will try to provide 14 days notice of termination of and/or VISTA removal/transfer from the project.
- b. Any termination of the Memorandum of Agreement between Florida State University as the Project Sponsor and the Corporation for National & Community Service will result in the termination of all provisions of this Memorandum of Understanding.
