

Princeton Fire & Rescue Dept.

Memorandum

To: Mayor Walker and City Council

Date: 01/03/2024

From: Fire Chief Ron Lawrence

Regarding: Fire Act Grant application

I am seeking approval to apply for the Fire Act Grant this year. I would like to apply for the auto extrication tools again this year. We have applied for these tools for the last two years and have made it to the very end of the grant before being turned down. The grant would be for approximately \$90,000.00 and there is a 5% matching portion. The cost for the grant would be \$300.00.

I will be present for any questions. Thank you.

Ron Lawrence
