By signing this quote, it is assumed that CIT will proceed with placing orders for the recommended products and services. Quoted prices are based upon market pricing at the time of the quote. Due to fluctuating market conditions, pricing for third-party hardware, services, and related products are subject to change due to the market pricing in effect at the time of delivery. CIT will make commercially reasonable efforts to communicate with the customer for material price increases prior to delivery.

Beyond the standard configuration and deployment of the tool/service, additional configuration, tuning will be billed T&M.

Quotes are subject to customer credit terms and conditions. CIT requires 50% down payment upon acceptance on all orders over \$10,000 unless prior approval has been given. Additional down payment may be required if customer credit line is insufficient.

Each of the parties hereto has caused this Schedule to be duly executed by their authorized representatives on the date expressed below. The terms of this project proposal ("Schedule") by and between Computer Integration Technologies, Inc., ("CIT") and Customer are part of, and are hereby incorporated into, the Master Service Agreement executed by CIT and Customer.

Please do not pay from quote; taxes, shipping, handling, and other fees may apply. Not all items are available for refund or exchange and must be approved by CIT prior to product return. Customers may need to work directly with manufacturers for item returns.
