Hello

I am Dr Haider having 5 years of experience and have license of 2 countries.

I want to give an opinion about foreign vet graduate.

Ease of finding jobs and immigration should be considered for them especially those with good experience. In return, such vets should ask minimum for ECFVG registration only.

They can pass BCSE and NAVLE while doing job on limited license. In that way shortage of vets could be address and in future USA will get foreign vets who already have experience in USA and fully licensed also.
