

1. Operations

W.F. Parker

Bid has been awarded for hangar repairs; maintenance position has been filled by Mr. Anthony Held. Mr. Held is getting up to speed with mowing and trimming and getting himself acclimated to airport property with the assistance of Jon Brearey, Pat Joyce, and Damon (from FBO).

Jon Brearey

Garrison Construction has completed grading and rocking around FBO hangar to improve drainage. A contrasting color for the lower siding has been selected to avoid mis-matched colors.

2. Finance

Reports are attached

3. FBO / RFP

Committee has been reviewing the additional responses from bidders. Face-to-face interviews have been held.

4. Land Purchase Refund

Has not met; not a priority at this time

5. Terminal Design

No Report at this time

6. Terminal Finance

No Report at this time

7. Grants

Tom Higgins

Jesse Vinson

We are happy to report that we were awarded the EDA Grant and are now moving through the initial administrative procedures. Kick-off meeting with EDA Engineer scheduled for Wednesday August 5, 2020.
