

SANTA BARBARA COUNTY EMPLOYEES' RETIREMENT SYSTEM

RECORD RETENTION POLICY

I. PURPOSE

The purpose of this Record Retention Policy is to provide timelines, procedures and guidelines for retention of Santa Barbara County Employees' Retirement System ("SBCERS") ~~Records~~records. The ~~board~~Retirement Board may establish efficient records management procedures, which may include, but need not be limited to, maintenance and, when determined by the ~~b~~Board to be necessary, disposal of records in its jurisdiction. (Gov. Code §-31537)

II. OBJECTIVES

The objectives of the policy are to ensure that:

1. SBCERS properly maintains its business records for the appropriate time period; and
2. SBCERS assigns proper levels of confidentiality to records; and
3. SBCERS properly destroys records once the appropriate time period has passed; and
4. SBCERS staff is apprised of the retention periods and destruction method for the records entrusted to their care.

III. POLICY GUIDELINES

1. Pursuant to Government Code Section ~~62527920.530(e)~~, a Record is defined as "any writing containing information relating to the conduct of the public's business prepared, owned, used, or retained by a state or local agency regardless of physical form or characteristics."
 - a. Records consist of writings, emails, films, tapes, electronic or computer based information, or data compilations in any format or medium, graphical images, and voice or data transmissions. Information can be stored on a variety of storage media, such as microfilm, microfiche, disk~~ette~~, memory drive/cards, network servers, cloud services, shared file systems, optical disk, CD-ROM, videotape, paper, etc. The minimum retention requirement is determined by content, not by the format or media.
2. Specific records, minimum retention periods, confidentiality levels and related authorities are defined in the record retention schedule attached to this policy. As a general rule and unless otherwise noted in the retention schedule, SBCERS maintains a seven (7) year history of all records.
 - a. The Retirement Board delegates to the CEO-Chief Executive Officer the authority to apply and interpret the schedules with respect to particular categories of documents or information not specifically provided for in the schedule.

3. SBCERS has identified four general levels of confidentiality for its records. Confidentiality levels identify the availability of documents to the public and SBCERS staff and provide guidance regarding record destruction methods. Employees should use discretion in handling and destroying all records in order to protect SBCERS' data. Special handling of particular documents types will be noted in the "Confidentiality" column.
 - i. Public – generally available to the public via SBCERS publications or website. No special destruction method.
 - ii. Protected – available by specific written request under a Public Records Act. ~~Destroy Paper records shall be destroyed using a in-secure shredding service provider bins.~~ Records stored on digital media shall be deleted, cleared, and purged from all file storage, including back up, systems.
 - iii. Staff Only – readily available to staff but will not be disclosed to the public except by court order. ~~Destroy Paper records shall be destroyed using a in-secure shredding bins.~~ Records stored on via digital media shall be deleted, cleared, and purged from all file storage, including back up, systems.
 - ~~iv.~~ Highly Confidential – limited staff access not disclosed to the public except by court order. Paper records shall be destroyed using a secure shredding service provider. Records stored on digital media shall be deleted, cleared, and purged from all file storage, including back up, systems. ~~Destroy in-secure shredding bins.~~
4. Whenever SBCERS learns of pending litigation, the ~~CEO~~ Chief Executive Officer shall notify General Counsel. General Counsel will inform the appropriate employees which documents should be held pending resolution of the litigation ("litigation hold"). The litigation hold applies to electronic, including back up files, and hard copy documents including email correspondence, work drafts, notes, memoranda, correspondence, and other documents pertaining to the litigation as determined by the General Counsel or, outside counsel if appropriate. All documents pertaining to the litigation in the possession of the System should be preserved until the General Counsel notifies affected employees that the litigation hold is no longer in effect.
5. Consultants, investment managers, and other vendors used by SBCERS may provide information and documents to SBCERS that contain trade secrets. Generally, a trade secret is information, including programs, methods, technology, and processes, that has independent economic value from not being generally known to the public or others who can obtain value from disclosure and which the owner has taken reasonable steps to protect.
 - a. Prior to disclosure of any documents or information supplied by a consultant, manager, or vendor, the responsible employee that possesses the document or information shall consult with General Counsel for an opinion regarding whether the material to be disclosed is a trade secret. General Counsel will then contact the consultant, manager, or vendor to determine whether the document or information contains trade secrets. If a document contains trade secrets, General Counsel will

work with affected employees to request that the consultant, manager, vendor redact the document prior to disclosure.

IV. PROCESS REVIEW

_____The Retirement Board shall review this Policy ~~as at least every five (5) years~~needed to ensure that it remains relevant and appropriate.

V. ~~V.~~ AMENDMENT HISTORY

This policy was adopted by the Retirement Board on September 9, 2015; ~~and~~ revised on July 31, 2019 and June _____, 2023.
