Lee County is the recipient of Coronavirus State and Local Fiscal Recovery Funds, established by the American Rescue Plan Act (ARPA) of 2021. The Lee County Board established an ARPA Committee to make recommendations to the Board on funding allocations which meet eligibility guidelines and respond to local needs. STATUTORY AUTHORITY

Pursuant to the Illinois Counties Code 55 ILCS 5/5-1121 (Demolition, Repair or Enclosure) the county board of each county may demolish, repair or enclose, or cause the demolition, repair or enclosure of dangerous and unsafe buildings within the county, but outside the territory of any municipality.

The county is also authorized to file a lien for the costs incurred, including court costs, attorney's fees, and other costs related to the enforcement of this section.

BACKGROUND

The Public Safety Committee initiated discussions regarding abandoned properties to address citizen complaints. An informal group consisting of Mike Koppien (Board member) John Nicholson (Board member), John Simonton (Sheriff), Dee Duffy (Zoning Admin.), Jennifer Kolb (Health Dept.) and Charley Boonstra (State's Attorney) began initial discussions. The goal is to identify and address those abandoned properties that are dangerous to life, safety, health, or other property.

State's Attorney Boonstra has appointed Tim Zollinger as Special Assistant State's Attorney to pursue legal action on abandoned properties (identified by the County) pursuant to 55 ILCS 5/5-1121. Attorney Zollinger has represented other jurisdictions on this issue including Dixon and Sterling.

The property commonly known as 122 Cherry Street, Compton, IL was selected as the initial subject. The unoccupied residential structure on this property is substantially deteriorated and deemed to be a dangerous and/or unsafe building. The property has been vacant for a considerable period and taxes are delinquent for the years 2018 - 2021. The Health Department condemned the property on Nov. 23, 2021.

Special ASA Zollinger has filed the required court documents and is anticipating a Judgment deed on or about August 3, 2022, at which time the County will be authorized to take possession and remediate the unsafe conditions.

ARPA FUNDING REQUEST - PROJECT

This funding request would provide the start-up dollars to fund Lee County's ABANDONED PROPERTIES project, including the Special Assistant State's Attorney fees, and demolition, repair or enclosure costs. It will allow Lee County to immediately begin addressing those properties which jeopardize the life, safety, and health of its citizens.

Other potential funding sources are abandoned property grants and the subsequent sale of a property following remediation. We are in the initial phases of researching grants which may be available to support and continue the project.
